FOSTER CARE AND ADOPTION

HeartShare St. Vincent's Services' (HSVS) Foster Care Program strengthens families in times of crisis. We provide youth with safe, stable and caring foster families, who invest in our youth until they can return to their birth families or another permanent home.

WE REUNIFY FAMILIES:

- We help families to develop a network of support in their own communities.
- We connect parents with the resources they need to successfully and safely reunify with their children.
- We strengthen families by helping them access the treatment they need to heal.
- We help parents to overcome any obstacles to reunification – housing, benefits, and services.

WE ENSURE PERMANENCY FOR CHILDREN WHEN YOUTH CANNOT RETURN HOME:

- We connect youth with their extended family to create a forever home.
- We identify families committed to providing a stable, loving and adoptive home.
